English for Academic Purposes Workshops

Want to improve your academic writing skills, or your English vocabulary and reading comprehension? Hone your academic language skills with us! Join the EAP online workshop, open to students, staff, and members of the public who want to improve their English skills.

What is the focus of this workshop?

Reading & Writing:

By the end of the programme, you will be able to –

To provide you with the necessary transfer skills to read and interpret academic texts, as well as to plan, research and produce coherent written assignments.

- interpret, analyse and respond critically to a range of academic texts;
- identify main ideas, supporting details and arguments in academic writing;
- apply effective reading strategies to improve comprehension;
- plan, draft and produce coherent academic paragraphs and texts;
- apply appropriate academic style, structure and conventions in written assignments;
- use sources responsibly, demonstrating research and referencing skills.

Speaking & Language:

By the end of the programme, you will be able to –

To provide you with the necessary skills to listen and respond critically to spoken academic input, as well as communicate ideas clearly and confidently in presentations, peer and group activities, lectures, and other academic tasks.

- listen for gist, detail and key arguments in academic lectures, discussions and presentations;
- take effective notes and synthesise information from spoken input;
- respond critically and appropriately to what others say in academic contexts;
- communicate ideas clearly and confidently in academic discussions, tutorials and group tasks;
- plan and deliver academic presentations using appropriate language, structure and visuals.
